## **NH DHHS COVID-19 Update October 28, 2021**

**Concord, NH** – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

The state is averaging between 500 – 550 new cases per day. DHHS continues to work through the backlog of cases from previous days and will issue additional data once it has been analyzed.

DHHS has also announced seven additional deaths related to COVID-19. We offer our sympathies to the family and friends.

- 1 female resident of Coos County, fewer than 60 years of age
- 1 female resident of Grafton County, 60 years of age and older
- 3 male residents of Hillsborough County, 60 years of age and older
- 2 male residents of Rockingham County, 60 years of age and older

There are currently 204 individuals hospitalized with COVID-19.
